CALL FOR INTERNS !

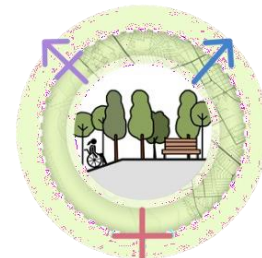

The Urban Catalysts are a mission driven organization working towards climate resilient, gender equitable cities. We advise and provide end-to-end support on street design, parking management, transit-oriented development, multi-modal integration and public space design. Gender equity is a core value of our work.

Transform transport and cities to mitigate and adapt to climate change

Design processes to effectively inform, consult, involve and collaborate

Create vibrant public spaces for gender equitable and universal access

We invite interns around the year to be a part of our organization, with backgrounds in **statistics, economics, data science and passionate about sustainable transport, cities and gender equity**. These are paid internships for a tenure of 8 weeks to 24 weeks. The interns generally assist in desktop literature reviews, field work data collection, data analysis and writing the findings, preparing presentations, and assist in business development. This will provide a good exposure to the social impact sector.

The interns will be based in Delhi (preferably) or remotely. Interested candidates can submit their CVs and at least 2 writing samples/ portfolio to communications@theurbancatalysts.org. Applications without the above will not be considered.
